Land

The land is split into a number of enclosures. There is an access track included in the sale. This then leads onto the woodland, which includes the stable block that has 2 large stables. The grassland has been used for mowing and grazing and provide a useful block of land surrounded by hedges and fences. We are advised there is a mains water supply and there are footpaths which cross the land.

It is considered that due to its roadside location, some of the land could suit a variety of uses subject to obtaining the relevant consents.

Access

There is a right of way through part of the land for the adjoining landowner, The Clayton West Millenium Green Trust. Please refer to auction pack for further details.

The access track located adjacent to Bilham Road on the western boundary is included in the sale, as marked on the plan. The house to the west boundary, fronting Bilham Road has long standing use of the access to the rear of its property. Whilst the right does not appear on the title deeds, the sellers acknowledge such rights exist and that they must have the benefit of a prescriptive right of way.
